

*Come join us in Celebration of 5 years of BDA in Annapolis!!!*

The BDA meeting in Annapolis began with two founding members in December 2006. Our first meetings begin in January 2007 in the Clipper Room at Spa Creek Center. Since then we have moved to the larger Pride Room to accommodate the greater number of new BDA and DA members who have enriched our lives, the lives of many others, and sent our GSR for the first time to the Word Service Conference in Detroit in August of 2011.

We are grateful members of DA, either self-employed, thinking of being self-employed, or have responsibilities for financial decisions in a business environment. We found that we needed the 12 steps and DA in our businesses as well as our personal life. Members of our group share a willingness be open to doing the next right thing in all our affairs, but particularly in the realm of business.

We invite both new and past attendees, all are welcome We want to give our gratitude to those who have contributed to the success of our recovery and the vitality of the meeting, and shared your, strength, hope, and support and to our group.

Please join us. And for those of you living in other parts of the country (and even the world) who cannot attend, know that your presence in our lives is no less appreciated. Your support has been both far-reaching & profound.
